## Eighteen Luxury Villas Lahore

**Eighteen, Lahore – Luxury Villas** is an elite residential project developed under the supervision of **Ara Developers**, applying international standards of quality and construction. The project began in **October 2018** and was successfully completed in **March 2021**.

The development features a mix of **10 Marla, 1 Kanal, 2 Kanal, 4 Kanal, and 8 Kanal luxury villas**, some with **private swimming pools**, designed to set a new benchmark for upscale living in Pakistan.

The scope of works included the complete **grey structure construction**, ensuring durability and strength in line with global practices. With world-class consultants overseeing the project, Eighteen Villas represent a blend of **luxury, exclusivity, and international quality standards**, making it one of the most prestigious residential communities in the country.

## Al- Qadir University

**Al-Qadir University – Sohawa** is an educational landmark, designed to provide world-class academic and research facilities. The project began in **April 2019** and was successfully completed in **June 2021**, covering a **total area of 101.5 Kanal** with a **built-up area of 141,000 sq. ft.**

The scope of works included **grey structure, finishing, and enabling works**, along with **RCC piling before excavation**. Complete **MEP works** were executed — from sourcing and procurement to installation and testing — ensuring compliance with international quality standards.

With its **modern architecture, spacious learning spaces, and state-of-the-art infrastructure**, Al-Qadir University provides an environment that fosters education, research, and innovation. The campus reflects a perfect blend of functionality and aesthetics, designed to inspire students and scholars alike.
